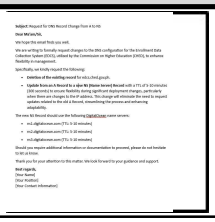
(3) Check (✓) appropriate box. Indicate "N/A" for items not applicable.



Subject: Request for DNS Record Change from A to MX

Dear Ma'am/Sir,

We hope this email finds you well.

We are writing to formally request changes to the DNS configuration for the Enrollment Data Collection System (EDCS), utilized by the Commission on Higher Education (CHED), to enhance flexibility in management.

Specifically, we kindly request the following:

- **Deletion of the existing** record for edcs.ched.gov.ph.
- **Update from an A Record to a cNAME (Name Server) Record** with a TTL of 5-10 minutes (300 seconds) to ensure flexibility during significant deployment changes, particularly when there are changes to the IP address. This change will eliminate the need to request modifications to the old A Record, streamlining the process and enhancing adaptability.

The new NS Record should use the following DigitalOcean name servers:

- ns1.digitalocean.com (TTL: 5-10 minutes)
- ns2.digitalocean.com (TTL: 5-10 minutes)
- ns3.digitalocean.com (TTL: 5-10 minutes)

Should you require additional information or documentation to proceed, please do not hesitate to let us know.

Thank you for your attention to this matter. We look forward to your guidance and support.

Best regards,
