THE PRESIDENT

Zamboanga City

Dear Sir/Ma'am:

Greetings of Peace and Prosperity!

We are reaching out to you today to express our heartfelt appreciation for your continued support and invite you to partner with us in our mission to provide quality education to the Indigenous People (IP) students of Monte Central Indigenous People Elementary School.

As a small school serving 97 learners from the Subanen tribe and other IP communities, we face unique challenges in delivering inclusive and culturally responsive education. Our dedicated team of seven (7) teachers and one (1) School Head work tirelessly to provide a supportive and engaging learning environment, despite limited resources.

One of our biggest challenges is the lack of maintenance and Other Operating Expenses (MOOE) of our own. As a school annex, we rely heavily on our mother school for financial support, which can be limited. This hinders our ability to provide essential resources, facilities and programs that would enrich our students' learning experience.

We believe that every child deserves access to quality education, regardless of their background or location. By partnering with us, you would be contributing to the empowerment of our IP students and helping to preserve the rich cultural heritage of our communities.

We invite you to consider us in the following areas:

- Infrastructure development (classrooms, sanitation facilities, access to clean water and electricity)
- Educational resources (books, educational materials)
- Technological resources (Star books, televisions, laptops, connectivity)
- Teacher training and development
- Health & nutrition (first aid kits, medicines, check-up and other health programs)
- Disaster Risk and Reduce Management
- Student programs and activities (youth formation, extracurricular, cultural and sports)

Your partnership would make a significant difference in the lives of our students and teachers. We would be delighted to discuss potential partnership opportunities with you further.

Please do not hesitate to contact us if you require any additional information or would like to schedule a meeting. Please reach us through the following contact information:

Thank you for considering our invitation to partner with us.

Respectfully Yours,
