ALAN FELIX J. MACARAYA JR.  
OFFICER-IN-CHARGE, NTC R7  
National Telecommunications Commission

Dear Sir Macaraya,

Greetings!

In connection of the renewal of our NTC Permit (**CPE-Customer Premises Equipment**) we would like to inform your good office that we are not required to submit the certification from PECE- Professional Electronics Engineer and ROC- Radio Communication Technician, as we only sell products like smartload, express load, sim cards, phone kits and others. We don't do any installation services.

Hoping for your kind consideration about this matter.

Thank you.

Sincerely yours,

  
Steven A. Yu

NOTE: THIS WAS ALREADY SUBMITTED LAST YEAR AS PER REQUIREMENTS COMPLIED.
